

**TRAFFIC INFORMATION**  
**FORMULA 1® 2018**  
**ROLEX BRITISH GRAND PRIX**

Dear Resident

June 2018

I would like to take this opportunity to thank you in advance for your co-operation over the weekend of the Formula 1® 2018 Rolex British Grand Prix (5 - 8 July 2018) and to give you details of the local traffic systems that are being implemented. We hope this information will enable you to plan any journey you may need to make during the event and minimise disruption to you and your family.

Please note that it is not our intention to run a one way system on the A43 on Friday or Saturday although the option remains to be used in extreme situations as a contingency. The only one way system planned for Friday and Saturday relate to the Dadford Road and details are listed below. As such refuse collections and bus services will be unaffected. If circumstances change and we are forced to turn a one way system on for the A43 on Friday or Saturday the details will be posted on [www.silverstone.co.uk/residents](http://www.silverstone.co.uk/residents).

There is no separate leaflet being produced by Highways England this year but we hope you will find all the information you need below or by visiting [www.silverstone.co.uk/residents](http://www.silverstone.co.uk/residents)

**Please note the following:**

<b>Sunday</b>	15.00 – 20.00 approx	<b>A43 Southbound</b> one way from Silverstone to B4525 interchange. <b>A43 Northbound</b> one way from Silverstone to Abthorpe roundabout. <b>Cow Pastures</b> one way from Pury End turn to A5. <b>Dadford Road North</b> one way from West 10 roundabout to A43.	<b>Contingency only - Dadford Road South</b> one-way from West 10 roundabout to Stowe crossroads.

Please be careful, once inbound traffic flows dictate, the one way systems will be taken off and there may be a short period of time where the roads are in their normal configuration prior to being changed for the outbound phase. Please heed traffic signage and stewards' instructions where necessary.

In order to minimise inconvenience to all, I ask for your co-operation over the following:

- **Parking** – Please avoid parking in locations that would cause an obstruction to either passing traffic or emergency services vehicles.
- **Pedestrians** – Pedestrian movements from Silverstone Village to Silverstone Circuit should be via Winterhills to avoid conflict at the teardrop roundabout
- **“Resident” Label** – I enclose a label to display in your vehicle. This will assist in identifying local traffic. It will **not** guarantee “right of access” and you should still comply with directions and temporary road signs, especially one-way systems.
- **Problems** – If you experience a traffic related problem during the event, please immediately telephone the Silverstone Command Centre on 01327 320310 which will be manned over the course of the event.
- **For live updated traffic advice and information** during the event, please view the Silverstone website at [www.silverstone.co.uk/residents](http://www.silverstone.co.uk/residents) or receive live updates via Radio Silverstone on 87.7FM and the Silverstone Twitter feed at @SilverstoneUK.

Your co-operation during this period is greatly appreciated and we thank you in advance for your support.

Kind regards

Stuart Pringle
